Mr Lingo Malhar Naik has rendered a total qualifying service of 48-7-24 (yrs mns ds) and Berar of which 10-8-20 (yrs mns ds) was under the Bombay Govt and the rest viz 37-11-4 (yrs mns ds) under the Durbar. The service under the Durbar has been duly verified by the Comptroller to the Govt of Mysore (Please see ~~&~~ no 6 in the file.) The service under the Bombay Govt cannot be verified as

The records of the Deccan and Southern Maratha Country Surveys previous to 1865 have been destroyed (Please see Sl. no 2 & 3 in the file) but must be admitted as the conditions laid down in art 470(c) of the M. S. Regns have been complied with. (Please see Sl nos 4 & 7 in the file).

A pension of Rs 96-13-8 is payable to Mr. Lingo Mallar Naik under the ordinary rules and the Supdt recommends that "this small act of grace (viz fixing his pension at Rs 100) while satisfying the Claimant will be but a very small recognition indeed of his long and useful service."

It is respectfully submitted that even if Mr Lingo Mallar Naik's British service be disregarded, he would be entitled to a half pension of Rs 96-13-8 for his service under the Durbar of

The Councillor, doubts the accuracy of the Comptroller's calculation as regards the proportionate share of pension debitable to the British Govt and as the office is not in possession of sufficient information on the subject it is difficult to ascertain whether it is correct. Orders are solicited as to whether the necessary information may be called for from the Comptroller as it would be better to determine the exact amount debitable to the British Revenues before a reference is made to the Residency on the subject. No. 2524.

FINANCIAL DEPARTMENT.

Bombay Castle, 30th July 1903.

Letter from the Honourable the Resident in Mysore, No. 1940, dated 23rd April 1903—Forwarding an application for pension on behalf of Mr. Lingo Malhár Náik, late Assistant Superintendent, Mysore Revenue Survey.

Memorandum from the Comptroller, Mysore Government, dated 3rd November 1902.

Government memorandum No. 1604, dated 7th May 1903, to the Accountant General.

Memorandum from the Accountant General, No. P.—1032, dated 2nd June 1903:—

"Certified that (subject to the remarks below recorded) qualifying service in the superior grade has been duly proved for 38 years 3 months and 4 days, and that a retiring pension not exceeding Rs. 75 only a month is admissible under Article 28-note and Articles 389 (*a*), 465, 474 (*b*) and 779 (*b*) of the Civil Service Regulations, Fourth Edition, and Government Resolution, Financial Department, No. 1120, dated the 9th March 1892. But the full amount admissible under the rules is not to be given as a matter of course or unless the service rendered is really approved (*vide* Article 470 of the Regulations). The calculations have been duly verified. The pension is chargeable to General Revenues and to the Mysore State in the following proportions:—

	Rs.	a.	p.	
	53	14	11	chargeable to General Revenues.
	21	1	1	do. to Mysore State.
Total ...	75	0	0	

"2. The grant of any pension by Government in excess of Rs. 53-14-11, payable by the British Government, will require the sanction of the Secretary of State (Article 924 (*a*) of the Civil Service Regulations), and the receipt by the pensioner of pension from the Mysore State in excess of its share of Rs. 21-1-1 will require the sanction of the Government of India (Article 784 of the Civil Service Regulations).

"3. Before the 1st May 1864, the date from which his service commenced in Mysore, the applicant is stated to have been employed in the British service in the Southern Marátha Country Survey and the Berar Survey from the 1st April 1853 to the 30th April 1864, but this service cannot be verified from any public records as the records of the Southern Marátha Country Survey Department, from which he was transferred to the Mysore State, are stated to have been destroyed. The service for the period in question has, therefore, been disregarded and pension calculated by the rule of proportions for service in Mysore alone in accordance with the rules quoted above. If, however, Government be pleased to accept the service under the British Government for the period mentioned above, which cannot be verified from any public records on the strength of the applicant's statement in writing, supported by the testimony of the Superintendent, Mysore Revenue Survey, contained in his letter No. 759, dated the 30th April 1902, to the Comptroller, Mysore, annexed to the papers, and the entries in the service book, the applicant's qualifying service counting from the 1st April 1853 will amount to 49 years 4 months and 4 days, for which he will, subject to the provisions of Article 470 of the Regulations, be eligible for a retiring pension not exceeding Rs. 75 only a month wholly chargeable to the General Revenues of the British Government (Articles 28-note, 389 (*b*) and 779 (*b*) of the Regulations).

"4. The Comptroller, Mysore State, should have attached to the pension papers a certificate from the Accountant General, Madras, for service from the 1st October 1882 (the date from which service in Mysore became foreign service) to the 4th September 1902, for which contribution was paid to the British Government.

"5. In the case of an officer in foreign service of the first kind pension is calculated on the assumed pay, that is, the pay on which contribution for pension was paid to the British Government, and not upon the pay he actually received from his foreign employer (Articles 755 (*a*) (*ii*) and 779 (*b*) of the Civil Service Regu-

lations). This accounts for the difference in the amount of pension stated above and that proposed by the Deputy Superintendent, Mysore Revenue Survey, against entry No. 11 on the first page of the application for pension.

"6. The grant of any pension from the Mysore State in excess of Rs. 75 a month payable by the British Government, subject to the provisions of paragraph 3 above, will require the sanction of the Government of India (Article 784 of the Regulations).

"7. With reference to paragraph 4 of the letter dated the 10th July 1902 from the Superintendent, Mysore Revenue Survey, to the Secretary to the Mysore State, copy annexed to the papers, it is observed that under Article 782-note of the Civil Service Regulations the pension and leave of an officer on foreign service are regulated by the rules which apply to officers of the Government of India. If the applicant was on privilege leave up to the 4th September 1902, inclusive, and retired from the service without returning to duty, it will be necessary to recover from him the privilege leave allowance, if any, received by him and to refund it to the Mysore State."

Letter from the Honourable the Resident in Mysore, No. 3277, dated 14th July 1903:—

"In returning the pension papers of Mr. Lingo Malhár Náik, late Assistant Superintendent, Mysore Revenue Survey, forwarded with Mr. Mead's letter No. 2169, dated the 25th June 1903, I have the honour to state that Mr. Lingo Malhár Náik was granted by the Mysore Darbár privilege leave of absence for 2 months and 4 days preparatory to his retirement from the service, and that he availed himself of the leave from the 1st July 1902.

"2. Mr. Lingo Malhár Náik is reported to have died on the 19th April 1903."

RESOLUTION.—The applicant's service from the 1st April 1853 to the 30th April 1864 is accepted. A retiring pension of Rs. 75 per mensem should be granted to his legal heirs from the 1st of July 1902 up to the date of his death.

2. The pension should be charged to General Revenues and the arrears of it should be made payable at Ránebennur in the Dhárwár Collectorate.

3. The leave allowance referred to in the concluding portion of paragraph 7 of the Accountant General's report No. P.—1032, dated 2nd June 1903, should be recovered from the arrears of pension and refunded to the Mysore State.

the pay drawn by Mr Linga Malha

from 1st July 1902 to 4th September
1902 is to be refunded to the Mysore
Government by deduction from the
amount of pension at Rs 75 through
the Ranibinnur Mamlatdar.

3 In my letter No 31 of the 12

recommended that Mr Linga —

at the fixed sum of Rs 100

4. Apparently what the petitioner
asks for is that there should be
no refund on his part of the —
amount drawn by Mr Linga —

and that from 5th September 1902

Sd. 3/4 Letter addressed to Lieutenant Fyfe & with the file of former case 12.10.03

Honored Sir,

I the undersigned humbly beg to represent that:-

Out of the amount of pension sanctioned by the Bombay Government to my father Lingo Malhar Naik, your late assistant, at ₹ 75/- per mensem from the 1st July/02 to the date of his death i. e. 19th April/03, the Mamlatdar of Ranibennur through the collector of Dharwar has been ordered, I hear, to deduct the sum my father has already drawn in this Govt. as privilege leave allowance for the period of 2 months & 4 days, beginning from 1st July/02 and to refund the sum so deducted to the Mysore State and lastly pay the balance to his legal heirs i.e myself, as I am the only son of the deceased.

(2.) To deduct the aboveprivilege leave allowance which will be about ₹ 470/- from the pension we expected, especially after his demise, bears very hard upon me who has not been fortunate enough to secure as yet any decent footing in the State service in spite of your strong recommendations.

(3.) Again, you were pleased to recommend to the Mysore Govt. to grant my father an additional pension of ₹ 25 from the State in consideration of his "long and faithful Service". I represent humbly that nothing has been hitherto done about it.

(4.) Under these circumstances, I humbly request that as the privilege leave for 2 months & 4 days has been earned in the State Service, and has been graciously sanctioned by the Mysore Govt. itself, preparatory to his retirement, you would be pleased to kindly move the Govt. to generously order the payment of the amount that has been refunded to the State by the Bombay Govt., (by deduction from the pension sanctioned for my father)

Earnestly requesting that you would also kindly invite the attention of the Mysore Govt. to your recommendation for the payment of a pension of ₹ 25 by the State-thus enabling me to draw a complete sum of ₹ 100/- per mensem.

I beg to remain, Honored Sir,

yours most obediently.
